

FIREPLACE SURROUND COLLECTION

EOS FIREPLACE SURROUND

SKU: FP-EOS

- Designed exclusively to pair with HearthCabinet® Ventless Arched Fireplace models 8010, 8020, and 8030 (fireboxes sold separately).
- Choose from eight signature concrete colors. For custom colors, please inquire at 888-299-6957.
- Two-part system: The surround is a seamless 1”-thick concrete piece. The hearth is a separate, 1.5” thick solid concrete slab.
- High-strength GFRC construction.
- Concrete surface is sealed for optimum protection and longevity.
- Handcrafted in the USA.
- Hearth thickness/dimensions can be modified to suit (please inquire at 888-299-6957).
- For custom sizes, volume orders, or lead time, call us at 888-299-6957.
